Fast Nationwide Shipping

We routinely deliver 95% of all orders to their destinations in the Southeastern states the next business day. West of the Mississippi or north of the Mason Dixon takes a little longer. Whenever the need arises we have at our disposal the means to deliver your product to any U.S. destination the same day.

[Menu](#)

Freight Cost Savings

Due to our large volume of shipping, our customers are able to enjoy freight cost savings of up to 72% on their LTL shipments. Added to this is our ability to retrieve up to the minute updates on the whereabouts of our customer's shipments from freight companies as well as command their full and prompt attention should an unforeseen problem arise in the delivery of our customers' freight. The personal attention given by our account managers means that our customers' shipments are monitored from order entry through to delivery., ensuring that the right order gets to the right place at the right time.
